VIRGIN TERRITORY

READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

Japanese Bukkake

Dear Virgin Territory,

It never ceases to amaze and delight me that you can find so many young-looking 18-year-olds who are already so comfortable spreading their delicate cunts, taking big cocks and receiving thick loads of spunk on their innocent-looking faces.

In terms of suggestions, I'd direct you right back to your hot Japanese Dec. '14 covergirl, Yui. She looks barely legal, but when you say she's the ultimate Japanese fuck doll, you hit the nail on the head. Although her partner doesn't like other guys cumming in her mouth, she says she loves playing with hot semen and would be the happiest girl on earth taking multiple loads. It's clear that the girl is desperate for a bukkake session, and if her boyfriend won't oblige in her private life, then I say it's up to you gentlemen at 18eighteen magazine to make it happen for her. Whilst a group bukkake session might be a bit full on for some of your readers, I'm certain that none would complain if you showed two

or three guys unloading onto Yui's pretty face. She's so lovely looking, that the only thing that would improve her looks is a few large loads. What do you say?—D., London, England

Dear D.,
Sounds like a great idea, but it's all up to Yui. We'll see what she says.

Lezzie Lickers

Dear Virgin Territory,

About the "not enough boy/girl updates on this site" comment by Anonymous on 18eighteen.com, I can think only that the SCORE empire is resting on its laurels. Well, there are plenty of wonderful laurels to rake through in the 18eighteen website's umpteen years of archives.

But in this sucky-kissy-licky video, I don't see how the charming starlets Sammy and Aubrey (look at her exquisite conical titlets and thimble nipples!) resisted the urge to suck and lick and kiss each other's starlet—I mean the pouting, sweating starlet between the cheeks of each performer's immaculate bottom.

Anyway, the eager derring-duo obviously enjoyed the assignment. And most of 18eighteen.com's members have probably been relishing the hint of chiaroscuro involving Aubrey's sharp, suck-worthy tits around 16:06 in the video. That episode against the window approaches work-of-art status.—ThreeSixes, via website

Dear ThreeSixes,

We're glad you enjoyed Sammy and Aubrey's girl-girl scene (for our readers: login to 18eighteen.com to see the referenced video). The girls weren't yet ready to toss salad, as they are still relatively inexperienced. We're sure they'll acquire a taste for starfish as they grow older.

This Guy Is Pissed

Dear Virgin Territory,

Fuck you, 18eighteen. I just got the Holiday '14 issue today, and I was looking forward to Alexis Adams' set—one of the girls I really like. It was her set from *Glazed Teens*. I was looking for her like a mad man. All I wanted to see was her cum shot pic, but guess what? No cum shot pic.

We missed Alexis' cum shot in Holiday '14, so here it is.

How dare you. I was so disappointed that I ripped the mag up into a million bits. I can't believe you would do this to me and the rest of your loyal fans across the world that buy your mags all the time. That is like you sticking two middle fingers up to us all and saying fuck you. I have been fan of your mag since 2007 and just to think I was going to subscribe to the mag, but not now. Thanks for not caring about a loyal fan.—J.M., Falkirk, Scotland

Dear J.M.,

First of all, we apologize that we've offended you with Alexis's pictorial. We did not mean to upset anyone by not

including a cum shot photo of her. Second, the reason there was no cum shot is because unfortunately the last photos in the set were corrupt. But after your letter, we pulled the set and were able to retrieve the corrupt photos. We have included a large cum shot for you here. Hope it helps.

Freaky for Tiny Tarts

Dear Virgin Territory,

I watched the bonus DVD that came included with the Holiday '14 issue, *XXX Tiny Tarts*. The girls were so pretty and they had me jacking off to them. Britni can suck a mean cock. I liked watching her take a huge cock in her tight, little pussy. I turned the

Charlotte has fun riding a cock and showing off her asshole.

volume up loud on my TV to listen to her screams as she was getting ram-rodded. I like the tattoos on her shoulders. She was taking a little past the head of his cock in her pussy from behind. I jacked off so hard and fast to her getting fucked that I blew out cum like a fountain.

Next, Charlotte was so sexy and pretty. I jacked my meat to her and I came in my hand and lapped it all up. My cum was so hot and yummy. I see now why girls love the taste of cum. My cock is getting hard in my pants just talking about sex.

Mahlia's black tits and pink lips are a turn on for reader B.H.

Charlotte is great at sucking dick and licking balls. This girl looked like she was really enjoying herself, and I liked that. I was getting off watching the stud tongue-fuck her asshole and finger-fuck her pussy while stroking his meat. The stud put his fingers in her mouth and she licked her delicious cunt syrup off his fingers. I would love to be on top of Charlotte, licking her clit and the stud's cock while he is fucking her pussy. Also, at that time Charlotte would be fucking my asshole with an eight-inch dildo. I would have licked and ate his hot cum off of her pretty face. I take it you know that I am also bisexual.

I'm happy you had black pussy on the DVD. I love eating, sucking and fucking black pussy like Mahlia's. I love her on her hands and knees, sucking the stud's cock and looking up at him. I like it that way when I'm getting a blow job. I love her big, wide black mouth for sucking cock. I liked her smooth black pussy. I pick up a lot of black pussy at night, and they suck my cock.

I enjoyed it when the stud pulled out of her pussy and shot loads of cum all over Mahlia's butt. I would love to titty-fuck her and blow my load all over her chest. Also, after the stud blows his wad on Mahlia's buttcheeks, I would like the cum off and share it with her. I've come out of the closet recently. For about three months I've been sucking dicks and taking cock in my asshole.—B.H., Chicago, Illinois

Dear B.H.,

Congratulations on coming out of the closet. It sounds like you are really enjoying your sexuality, and we are glad we can fuel your naughty fantasies!

Just His Type

Dear Virgin Territory,

I have a routine that I do with every one of your issues. I carefully review every girl's photos while playing with myself before deciding who I want to blow my first and best load to. It was a tough choice, but the winner for March '15 was Sapphire. She has such a young, playful vibe to her. You are right—she is just my type! Her face is cute, her body is tight and those breasts are perky perfection. I would love to suck on those nips while running my hand over her clam and feeling it grow wet in my palm. She has that innie type of pussy that I like, and the photo of her spreading it open on page 80 practically me drooling. All I could imagine was my tongue darting in and out of her sweet hole. Needless to say, my load for Sapphire was quite impressive.—R., via email

Alex's Happy Ending

Dear Virgin Territory,

Tan lines aren't just for big tits. They look nice on flat-ties, too!

Thank you for the wonderful pictorial of Alex in the March '15 issue. I had been eagerly awaiting this sexy redhead's hardcore layout. She definitely doesn't need to stuff her bra because her little boobs are perfect. I love how she so gingerly (pun intended) performs fellatio, making sure to give the balls some tongue loving. The photo of her riding cock on page 14 is one of my favorites. We can see the stud's hard-on halfway through a thrust into her pussy, and the look on her face is one of wanton pleasure, and maybe just a little bit of pain from taking such a big one in her tiny tunnel. I can see a little bit of pubic hair growing which indicates that she is in fact a natural redhead.

I was also delighted to see a nice, big photo of her butthole. No photo spread is complete without one, in my opinion. The layout ends with a full-page cum shot, and you couldn't have selected a better girl to do that with. Alex's pretty, cum-covered face featured extra big while she looks directly at us is a true happy ending.—F.R., Charlotte, North Carolina

Dear F.R.,

Alex is a true natural beauty. If you would like to see this scene on video, check out Jizzed Teens 2, available on page nine. You can also see her in solo action in the DVD Naughty First-Timers, available on eboobstore.com.

Cock Slut Kaylee

Dear Virgin Territory,

Kaylee from the March '15 issue is a hot slut. I like her flat chest and tan lines. She looks like the kind of girl who likes to get fucked senseless and then covered with a huge, sloppy load of cum. And she also looks like a moaner. I can't wait to see if I'm right once you put her in a video. Please pair her with the biggest cock you can find. Tiny girls like her look best with gigantic dicks.

Also, good job on including so many full-body shots of her.

These are the kinds of shots we want to see, not too-close, amputated bits and pieces of girls. Pussy close-ups are nice, but we also want to see the girl's whole body. Being able to see just about every inch of Kaylee's body really gets my fantasies going, and what hot, filthy fantasies they are.—G.A., Baltimore, Maryland

Dear G.A.,

Don't worry; you'll get to see Kaylee fucked nice and hard! For now, enjoy this bonus photo of her.

Alex
CUM SESSION

Alex, what's your favorite toy to use when you masturbate? Do you prefer dildos or vibrators?

"I can go for either of them, depending on what I'm in the mood for. Sometimes I will use both of them at the same time. If I just want a quick cum I'll use a vibrator on my clit. That gets the job done fast. But if I want to take my time and really fuck myself good, I'll play with a dildo. I'll tease my clit and hole with it till I'm nice and wet, then stick it all the way in until my pussy is clamping down on it and cumming."

Which kind of toy makes you cum the hardest?

"They both make me cum pretty good. I get the wettest from playing with a dildo though, because I really take the time to work myself up. With a vibrator it's quick so I don't get to the point where I soak the sheets. But with a dildo I can tease myself and put it in and out slow or fast, and it just feels more realistic; my favorite kinds of dildos are the lifelike ones. The best is when I'm all worked up and I have a dildo in my pussy and I put a vibrator on my clit. I have the most intense orgasms that way. I put a vibrator on my clit once while I was having sex and the guy said it made him cum harder, too. I had to squeeze his huge load of jizz out of my pussy."

Taboo Trysts

**Few things
are as sexy as
the ones you're
not suppose
to be doing.**

By Payton Parker

"I remember, years earlier, telling my friend, Hayley, that her dad was kind of cute," Cami recalled. "And of course she was all like, 'Gross!' and we laughed. I mean, it's her father, right? But he wasn't mine. And he was cute. And that was it. I didn't think much of it after that. Though it did cross my mind years later, when he was eating my pussy in the breakfast nook at Hayley's apartment."

Oh, taboo sexy time. There's something about it, isn't there? The forbidden. The naughty. The kinky. Even the most strait-laced people get a bit of freak on once in a while. Hot, young things are no exception. Herein you'll find Cami's story, of course, wherein she finally finds out what her best friend's father's been packing in his toolbox. Beyond that, a tale of two hard-ons so scrumptious that naughty Nikki just couldn't say no.

And as for kink—there's a shoe store in a rural town where one man's fetish became the delight of the clerk who served as his model. But first, let's get back to Cami....

Fast-forward: seven years later. Cami and Hayley, still besties, are both in college. Hayley's off to Europe for the summer. Cami's working her summer job as a camp lifeguard in town and staying at Hayley's apartment for the six weeks she'll be away.

"She needed someone to take care of things," Cami wrote in her email. "Get the mail, water the plants, scoop the cat box, etc. Rent was paid. All I had to cover was a few utilities and my own food. It was a sweet deal for a girl still living at home. I jumped at it." Near the end of July, though, Cami noticed a leak had developed in the pipe under the kitchen sink.

"It wasn't terrible," she said. "I stuck a coffee can under it and dumped it out a couple of times a day, but I was clueless. I didn't know if there was a supervisor to call or a plumber. I texted Hayley to ask her."

A couple of days went by—Cami didn't think much of it; her friend was having the time of her life in Europe—but on Saturday morning,

someone knocked at the door.

"I had coffee going," she remembered, "and an English muffin in the toaster. I was still in my nightie and robe." She looked through the peephole and smiled. "It was Hayley's dad with a toolbox! I opened the door and smiled at him. He smiled back; as cute as I remembered but with a touch more gray in his hair." Turned out Hayley's dad ("His name is Rich, but I just can't call him that—even now!" said Cami) was happy to see her, as well.

"We spent some time having coffee, catching up. He had been doing a lot of road trips on his bike since him and Hayley's mom divorced a few years earlier, so we talked about travel and he told me about some cool towns he'd visited. Then it was time for him to get to work."

They went to the sink together—and bumped one another awkwardly—then apologized at the same time. "It was out of a bad romantic comedy. That was when I could feel it. There was tension. He was attracted to me. It wasn't just one way. We looked at one another for a little too long and boom! There was a spark."

This, of course, was only made worse when he lay down to look under the sink and realized that Cami wasn't wearing any panties at more or less the same time she remembered she wasn't.

"He flew up to standing, flustered, we both turned red and couldn't look at each other. Then we did. And then we kissed."

And they didn't talk much at all for the next couple of hours.

"He cradled my ass in those strong, rough hands—I could feel them even through the silks of my robe and nightie—and sat me up on the counter. We were kissing. My nips were so hard they almost hurt, and when he took my entire small breast in his mouth and the warmth of his tongue rolled over them, I think I moaned louder than I ever had before. I felt my pussy get wet. And it was as if he knew, because down he went."

Spreading her thighs apart, easing her gown up, he caught his first glimpse of her pussy.

"I only shave the bikini line, really," she said. "I wear a bathing suit for work—usually with shorts—but I still don't like shaving more than that. It's itchy when it grows back! I'm a natural girl."

He felt her tense up for a second, but put her fears at ease.

"Mmmmm," he said. And she could tell by his face that he meant it.

"Gorgeous lady with a heart for my era!" he joked. She was about to laugh but then his tongue and lips took her breath away, exploring the sweet, gooey center of her body, teasing and licking and tonguing and

kissing. He'd take her right to the edge, then ease up, kiss her on the mouth and let her get off on her own smell and taste before heading back downtown for more sugar.

"It was making me crazy," Cami said. "I threw my legs wider, up over his shoulders, and he buried his face in there, fucking me with his tongue. Then he started sucking my clit and I held his head there to let him know not to move. I was ready to explode. My button felt bigger than it ever had and then, one quick flick of his tongue and I was cumming. I didn't recognize my own voice, but I called him 'Papi' in a Latina chick moment! I was really horny. Then I begged him to take me to the table."

She sat on a chair for just a moment before looking up at him, disheveled and beautiful, and unzipping his jeans. His ample cock sprang into her small hand, and she slid the head, slick and wet, into her mouth, tasting him tentatively, then swallowing his shaft to the balls. He sucked in his breath and she felt him grow even harder in her mouth.

He put his hands in her hair and began to manipulate her the way he liked. Careful to be gentle, but with a bit of aggressive machismo that made her wet, cum-soaked pussy come alive yet again.

"I want you to cum on me," she said, easing out of the chair and clearing space on the small, round kitchen table. Her gown rode up to a tan, flat belly. He bent to kiss it, spreading her meaty lips apart with his fingers. Placing the fat head of his cock at her front door.

"Fuck me!" she said. And in he went. Her legs rose, perpendicular, and he held her

foot with one hand, nibbling her ankles a bit while holding her hip with the other, not letting her get away from him, driving his meat in deeper, stretching her hole wider, making her cream and

cry and cum again—this time her pussy convulsing around the snaky length of his shaft.

He couldn't hold it after that and yanked out, shooting a heavy load of cream all over her brown belly. His spend pooled in her belly button; she rubbed some into her skin like lotion.

"You're going to need to shower now," he said, almost apologetically. "You know," Cami said, "there might be a leak in there, too. You should probably come with me."

It was a while before he made it back to the kitchen sink.

What Happens in Vegas....

Nikki's fantasy, from the time she was old enough to have fantasies of a sexual nature, was to be with two men at the same time.

"There was something about it that seemed so nasty," she said, looking the absolute picture, in fact, of the "good girl." "My whole life I was like a Little Miss Perfect: cheerleader, Honor Roll, in the choir at church. I was in the Homecoming Court in high school and I dated our star baseball player. We barely fooled around and I graduated a virgin."

She spent her first year at college catching up to her more forward-thinking classmates. "First I got a boyfriend, stayed with him awhile, experimented—I sucked cock, I got fingered, I watched porn with him and that was the first night anyone ever went

"I wanted them both inside me. At once."

down on me—and eventually we had sex. A lot of it. It was fun and all, but it was a first romance and I was ready for more."

The problem was that Nikki didn't want the baggage of a "bad girl" rep. "I'm not interested in being thought of as 'cool,' if that's still a thing. I like being thought of as pure and clean. I just don't always want to behave that way. Problem, of course, is that people talk. You have to trust someone if you're going to do crazy things with them. And so I spent a lot of nights home, watching two-on-one Internet porn, wearing out the batteries on my vibrator."

If you haven't figured it out yet, Nikki isn't her real name.

"I'm discreet," she giggled with a toss

of her straight, blonde hair.

And so when the opportunity came for her to do a week-long apprenticeship at a posh Las Vegas hotel—Nikki is preparing for a career in the culinary arts; she hopes to one day be a professional pastry chef—she jumped at the chance.

"I knew that most of the time I'd be learning and working," she said, "but I was going alone and Vegas is a 24-hour city. If there was any place suitable for a one-night stand that no one would ever know about, Vegas was definitely it."

And it turned out she hit the jackpot. Big time.

"In the room next-door to mine, there were two Dutch guys, buddies traveling together. They were in their late 20s. Maybe 30. I didn't know or care, to be honest. But they were cute, friendly and seemed fun.

We'd run into each other a couple of times over the week, me leaving in my whites to go to work, them coming back from some crazy night out. I

made sure to let them know I was there working: 'Woe is me! I don't get to have any fun!' That sort of thing. I was angling for a 'last hurrah' invitation the night before they left. I wasn't disappointed."

As soon as her shift ended, she headed back to her room, showered and knocked on their door. They'd already been out and were eager to show her a good time.

"After a few minutes I was between them on the bed. We stayed dressed for a while. No one rushed me. No one pressured me. I took turns kissing them, touching them, and having four hands and two mouths exploring me was heavenly."

Eventually, though, the clothes began to come off.

"I've never been drunk," she told me. "I don't like the idea of being out of control. But having two tongues in my pussy at the same time, to me, felt like what I imagine it might be to be pleasantly tipsy—just a Zen-like level of relaxed and turned on and waves and waves of pleasure as I felt lips closing around my clitty and another tongue sliding inside me. I was sex-drunk!"

She credits what happened next, in fact, to the level of service these two were providing.

"From the start—and who knows, maybe it was their plan—they seemed totally out to make me feel good. Between the licking and sucking I'd cum three times before either of them

"Mostly he looked at my feet and legs."

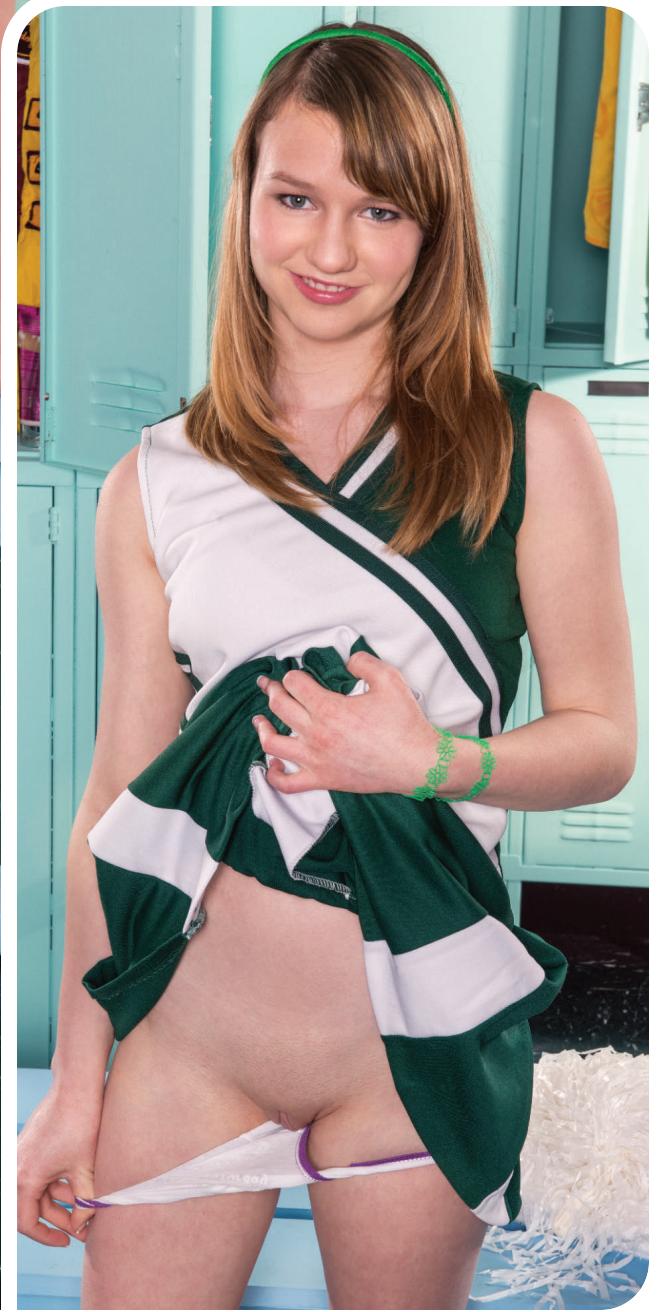

Are you really a cheerleader?

"Yes, I was one in high school. I'm still pretty flexible and I'll do splits and tumbling sometimes for fun. It seems to really impress the guys! And they're even more impressed when I do a split on their cock and take it super deep in my pussy. That's the real reason guys like cheerleaders. We know a bunch of dirty tricks and we can put our ankles behind our head. Guys love being able to fuck a girl who can bend into crazy positions."

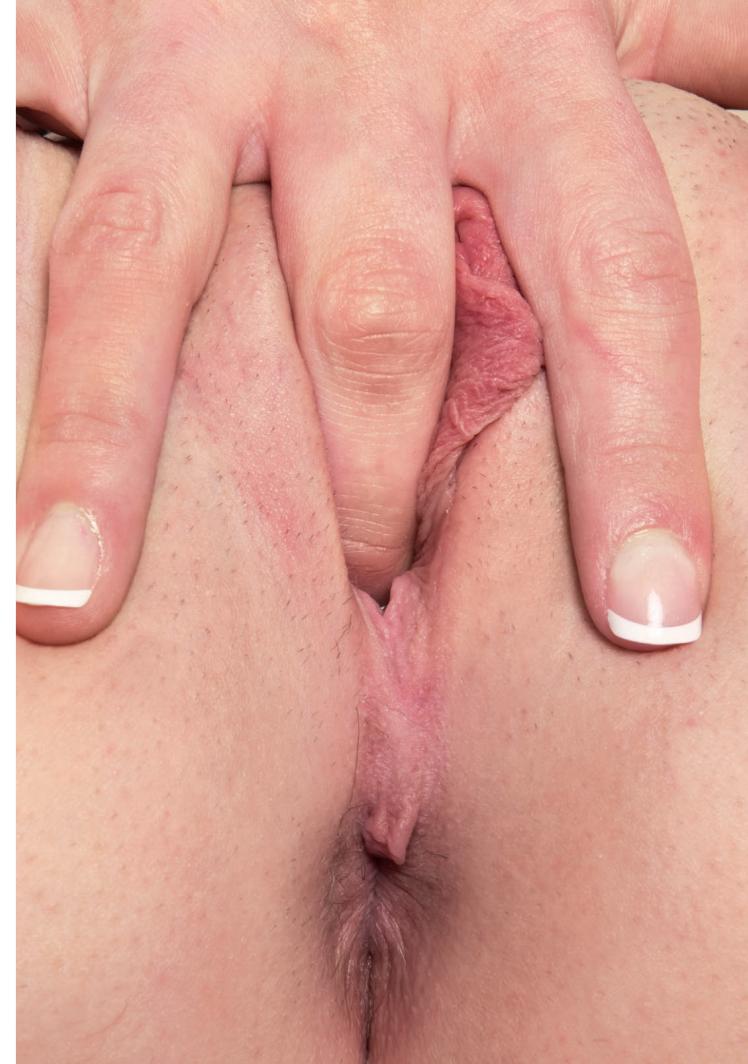

Tell us some cheer details.

"Some of the terms are funny. Facials are actually a thing in the cheerleading world. It means you can't compete with a frown on your face. But it has a double meaning because all the girls on our team loved to get facials from guys. That's something to smile about!"

Is it true cheerleaders are all sluts?

Are you eating that popsicle because it's hot outside?

"It is hot outside, but that's not why I'm eating this popsicle. I have an oral fixation, and I need to be constantly sucking on something. I don't have a cock around, so the popsicle will have to do. I'd much prefer a nice, big dick though."

Do you give good head? How did you learn how to suck cock?

"I don't want to be cocky, but I've been told that I give good head by a lot of guys. The way I learned was from practicing on dildos and watching porn videos and getting advice from my more experienced girlfriends. We used to have slumber parties and see who could stick a banana the farthest down their throat. At the time I couldn't even get a banana half way down without gagging, but now I can swallow the whole thing! It just took some time and practice before I learned how to control my gag reflex. Now I can swallow a cock down to the balls."

Mae

DREAM CUNNY

Do you like showing off your pussy, Mae?

"Yes! I think it's hot. I mean, it's the most intimate part of a girl's body. When a guy is jacking off he thinks about the girl's pussy. So I like to show mine off 'cause it turns guys on, and that turns me on. I like them thinking about fucking my cunt."

Do you get a lot of compliments about your pussy?

"Yes. Usually guys will tell me that it's tight and it tastes good. I've also been told that it's pretty because I have really tiny pussy lips. What's funny is that the first person who told me that was a girl. We were best friends, and sometimes we would get naked together to explore each other's body parts. Her lips were more meaty, and she was surprised by how small mine were. She asked if she could touch my pussy, so I let her. She ended up eating me out."

HEIGHT: 5'1" **WEIGHT:** 96 lbs.
BRA SIZE: 32A **BORN:** June 11
LIVES: Miami, Florida

Did you like it when she ate you out?

"It was pretty hot. That was my first sexual encounter. And then I went down on her. I was intrigued by her big, meaty pussy lips. I liked playing with them, and she came so hard when I sucked on them and rubbed her clit at the same time."

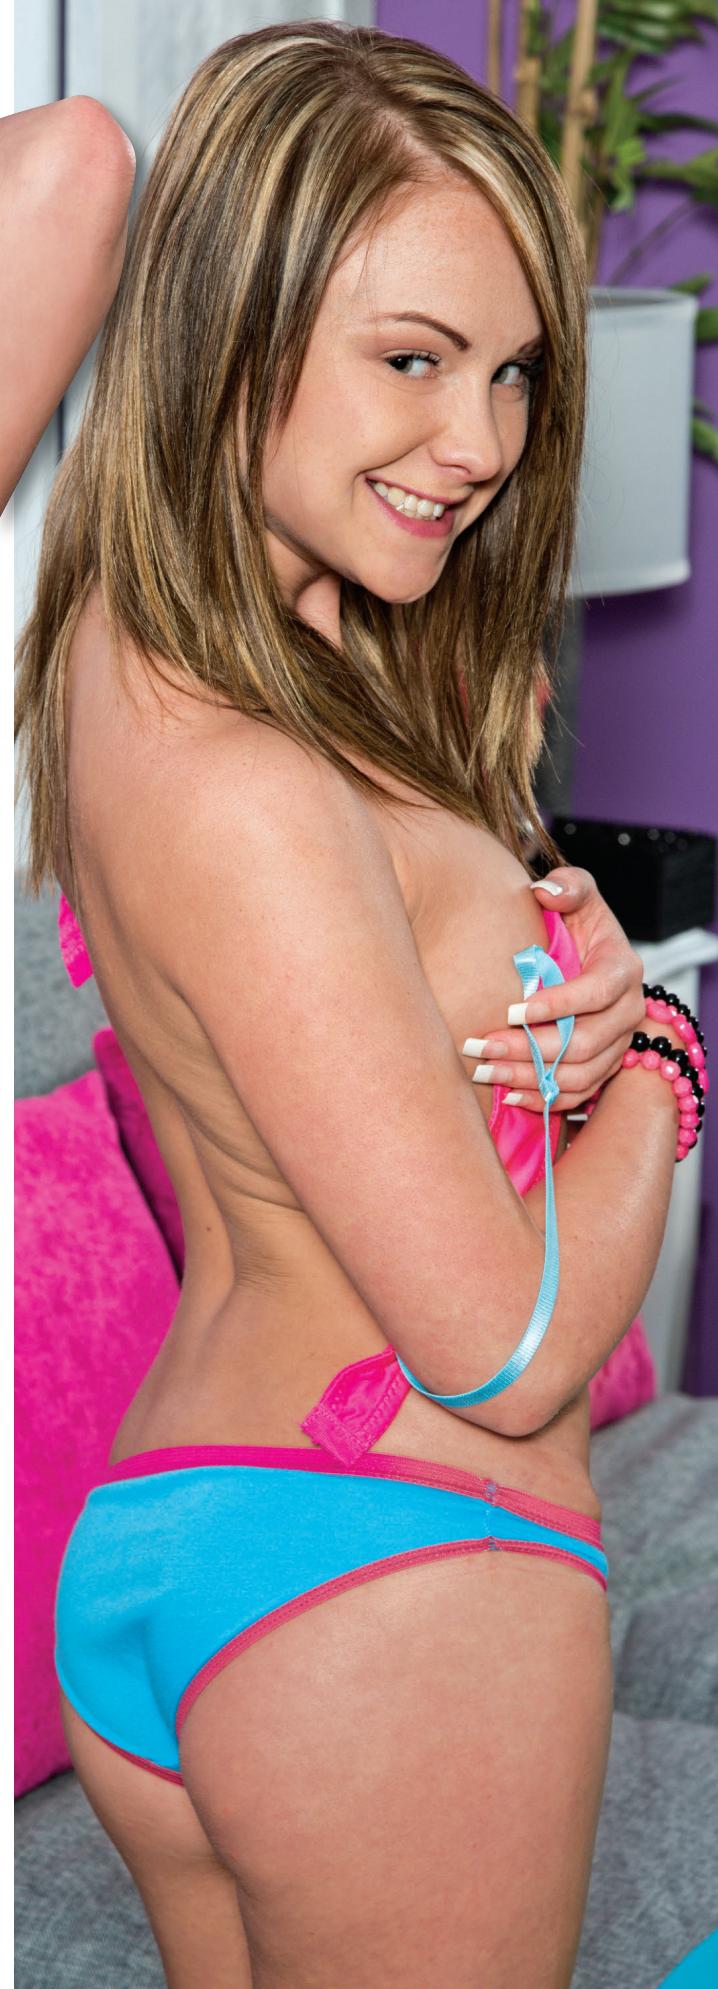

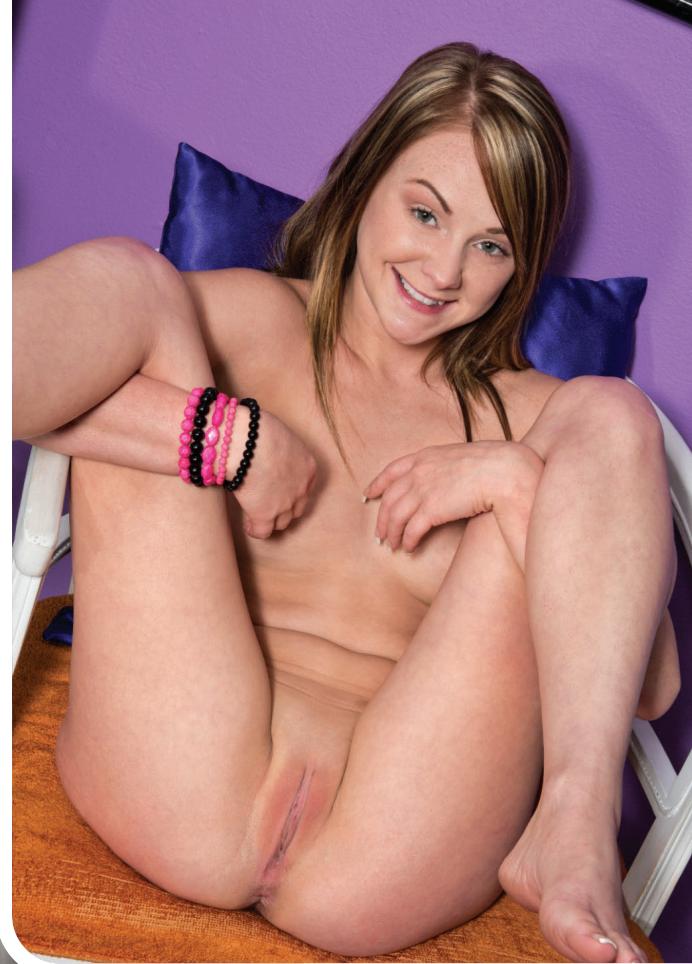

You've got a bangin' body!

"Thanks! I played a lot of sports in high school so I think that helped to tone my body. I also run and do yoga to make sure I stay nice and tight and keep my figure."

Do you like to dress sexy to show off your body?

"Usually I'm a casual kind of girl who just likes to wear jeans and a tank top. But if I'm going to a club or a party, I know how to dress to impress. My staple slutty outfits are teeny, tight skirts and midriff shirts. Gotta show off the legs and tummy! I know some of my feminist girlfriends would kill me for saying this, but I love it when guys look at me like wolves who want to devour me. That's why I dress sexy! That perverted stuff turns me on so much. It's nice and all when a guy is respectful, but sometimes you just want an aggressive guy to say some filthy shit in your ear about how bad he wants you."

HEIGHT: 5'1" **WEIGHT:** 103 lbs.

BRA SIZE: 32A **BORN:** Dec. 12

LIVES: Sunrise, Florida

Do you always wear panties with your sexy outfits?

"I usually do, but there was a time or two that I didn't. I guess it made me super horny because I ended up getting fingered by some guy on the dance floor of a crowded club. I was wearing a skirt with no panties, and we were bumping and grinding on each other. We started kissing, and then he slid his hand up my skirt and started rubbing my pussy. It was so hot and scandalous!"

Continued from page 28

had gotten off once. I'd be sucking dick—and doing a damn fine job, too!—but then someone would start licking me, sucking me, finger-fucking me—and I'd get distracted and before I knew it, I was cumming again! Not that I was complaining.”

Nikki had gotten so wet in fact, that when—while riding the long dick of the blonde Dutchman—his friend began rubbing the head of his cock along the slippery seam of her ass crack, she had an epiphany.

"I wanted them both inside me. At once. And for the first time in my life, I thought I was wet enough to make it happen. I tipped the angle of my bottom up generously, and the darker-skinned one took the hint. I was a tad nervous in my head. He was actually the one with the bigger cock! But I do like a challenge."

With proper coordination, slowly but surely, he maneuvered the head inside of her.

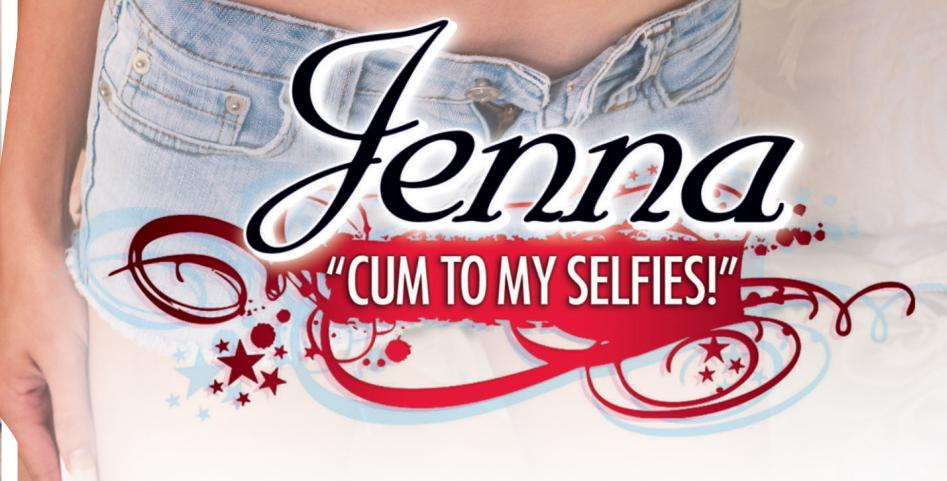

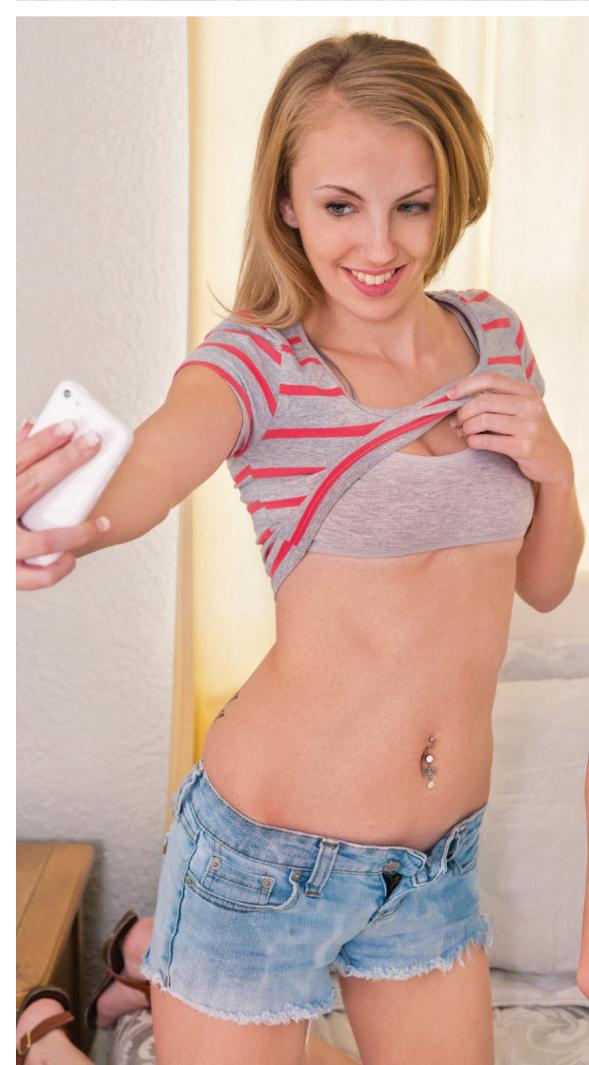

"I was full to bursting," she said. "But they held me. They did all the moving. And I could feel them, two cocks. TWO! Moving independently inside my body. I could almost feel them rubbing against each other inside me, with barely anything to separate them. I couldn't talk. I was grunting. But I reached down and began to manipulate my clit. I felt them growing harder. They were speaking Dutch—and I didn't understand them—which sort of made it hotter. I didn't know if they were talking about calling a taxi to the airport or about my snatch, and I didn't care. I just...FELT. And the more I felt, the closer I came and then I WAS cumming and my body was squeezing them and then I could feel THEM, pumping me full of cream, feeling it leaking out as they pumped and pressed. And we were all moaning and groaning and cumming, and as one of them pulled out of my rear end I screamed so loud I was afraid someone might call security."

No one did, though. "And we all had a giggle."

They said warm goodbyes, but nothing mushy.

"It was fun, but that was it. No numbers exchanged. No selfies taken.

Continued on page 76

Jenna, since you're here taking nude pics, does that mean you like to send out naked selfies?

"Yeah, I do. Before I came to shoot for you guys I was a selfie maniac. Well, I still am. But now at least I'll have professional photos to show people. But you should see my phone. It's filled with pictures of my tits, ass and pussy. Before I used to be a little scared to send out my nudes, but now I don't care. Everyone my age does it. And when you start sexting with someone it just makes it that much hotter. But there's a process. You can't send a pussy pic right off the bat. You have to start with underwear, then topless but covering your boobs. Then maybe a butt shot, then boobs. And if you know you want to fuck the guy, then you send the pussy pic."

Has a guy ever sent you a pic of him cumming to your pics?

"One guy sent me a pic of his cum all over his sheets and said it was thanks to me. I was flattered, but at the same time I was kind of disappointed. Cumming on the sheets is a waste. I told him his cum would look much better on my body or face."

HEIGHT: 5'4" **WEIGHT:** 100 lbs.
BRA SIZE: 32B **BORN:** Nov. 25
LIVES: Sarasota, Florida

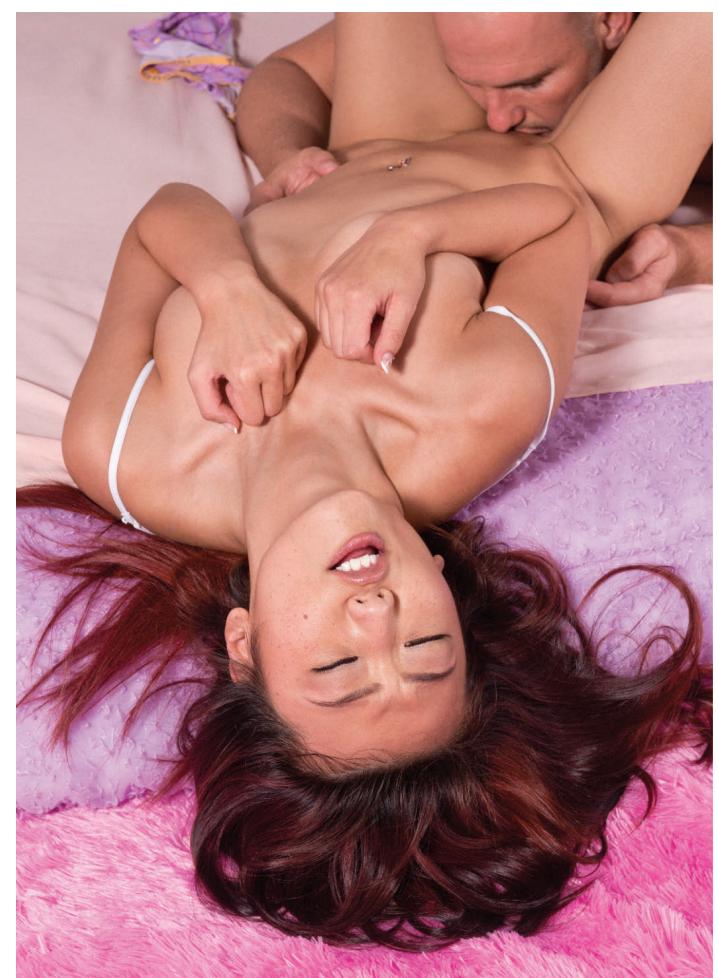

Did he get to cum on you?

"Yep! The next day he came over and we fucked. I told him to cum on my face, but he only made it to my belly 'cause he pulled out at the very last second. We were so caught up in the sex that he wanted to keep his dick in my pussy as long as possible. 'Cause you know, with a facial he has to pull out with enough time for me to get on my knees. But that's okay. Then he took a pic of the cum on my belly. Much better than the first cum pic he sent me!"

**Layla looks like
a sweet Asian.**

But she's really a naughty slut. We paired her with one of our most-hung studs because she really wanted to try a monster cock. "I've never been with a guy who has a huge cock before. The biggest guy I've ever been with was like seven inches, and it wasn't very thick."

How come you've never hooked up with a huge- dicked guy?

"I think guys with big dicks are afraid to go after me because I'm so small that they think I can't handle it. I know some guys who claim to have big dicks, and they say they prefer bigger girls 'cause they take the pounding better. Fuck that! I want to get pounded hard by a big cock. I'm up for the challenge!" Well, she gets the challenge in this scene and passes with flying colors. Layla proves that even petite girls can rock big cocks, too. She handles this giant prick like a horny pro!

Layla turns up the heat!

In this scene, (which you can see online at 18eighteen.com), Layla treats us to some sexy talk in Mandarin before getting down to business. She says, "Come lay down in bed with me and sleep" because she doesn't know the Mandarin word for fuck. Layla can't say it so she just shows us. After some fun cock sucking and pussy licking, the pounding begins. Layla's pussy is so tight you can see her dark Asian lips gripping this cock as it fucks her from behind. Half-way through the scene our stud has her in a bendy reverse cowgirl position where she's totally exposed, lying back with her knees up by her ears, getting fucked hard. By the end of this fuckfest she's as hot and sticky as her pussy, especially when she gets that load of cum all over her face! Go Layla!

Nothing. It was for them what it was for me. And it was perfect."

Size 6

"He knew what size my feet were with one quick glance," wrote Lena, 20. "It was the first indicator of what was going to happen. And it didn't hurt that he was cute. He reminded me of a sexy teacher I'd had that year at college. Also, we don't get many male customers where I work."

Not surprising. The tiny boutique—a shoe shop housed in an historic building on the edge of a Mississippi suburb—is a favorite of the "ladies-who-lunch" set.

"Our inventory is upscale, expensive," Lena—a cute redhead with mischievous green eyes—explained. "But because of where we are, perched somewhere between the edge of a city and the edge of nowhere..." she stopped to giggle for a second, "...means that more often than not I have one customer at a time. And the shop owner's only here a couple of times a week."

So when the bell at the door jingled and in walked a well-heeled man in his late 40s, Lena was certain he'd be in for a box his wife had waiting. Instead, he perused the sandals. Then the heels. Then he turned his attention to pretty Lena.

"You're a perfect size 6," he said. He had twinkling blue eyes.

"I...I am..." she replied, thrown off guard by his remark.

"I want to buy some shoes for my sister," he said. She was sure he was fibbing, but for some reason didn't care. "Do you think you could try some on for me?"

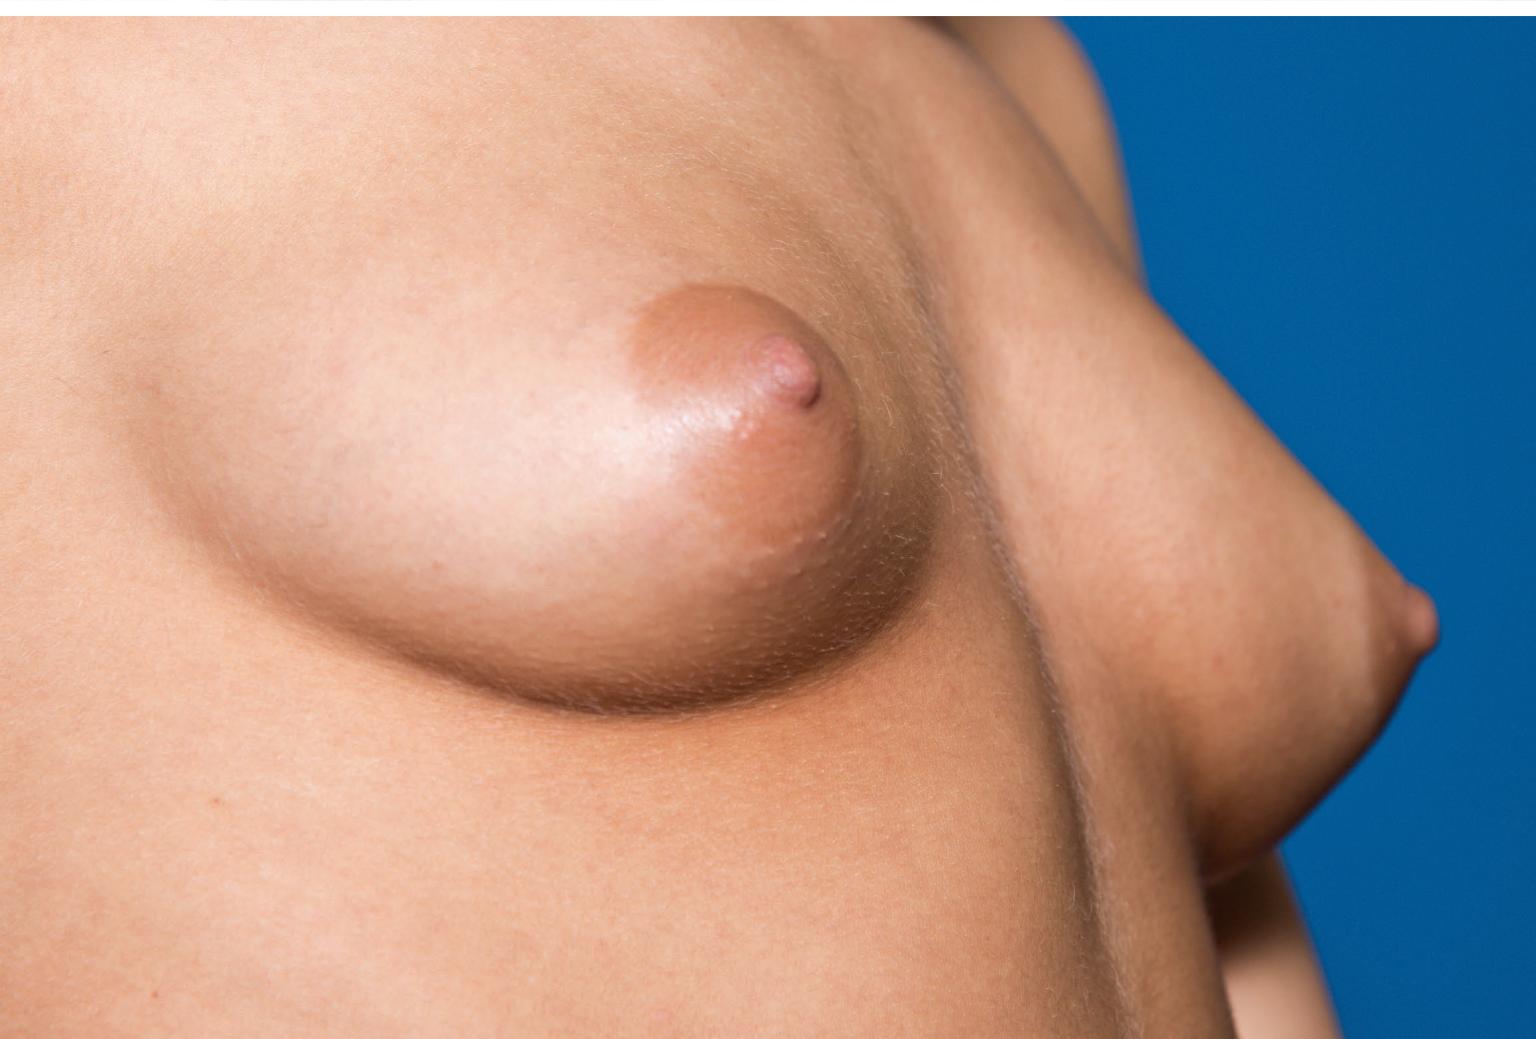

He was cute. She was bored. And intrigued. What the hell...

She said yes.

"And it was fun!" she said. "I tried on hippie Birkenstocks and super-high Manolo Blahniks like Carrie in Sex and the City! Meanwhile, he asked me to walk, turn, sit and cross and uncross my legs. He would smile at me sometimes, but mostly he looked at my feet and legs. And then I noticed him shifting in his seat. He had a stiffie! He was looking at my

undies?**

"I avoid them when I can, but I will wear them to turn on a guy when he wants to see me do a strip tease. In that case it's sexier to have under-wear on so he can watch me take them off. Some of the guys I've banged are also into sniffing my panties, so I'll get my undies nice and soaked for them. But otherwise, I like my pussy to be free. The less clothes I have on, the better."

What is the hottest thing you ever said to a guy?

"The most recent thing that comes to mind is when I told a guy, 'I want to suck your cock and ride your face, and then you can fill me with cum.' His jaw dropped to the floor, and then we did the deed. I say filthy things all the time. It's funny how you can turn guys on with just your dirty words. I love having a perverted mind."

What do you like sexually? What makes you horny?

"I love, love, love older men. Younger guys are also hot in their own way, but I am totally going through an older guy phase right now. I also recently hooked up with a girl and really enjoyed that, more than I expected to. I'll probably be going through a pussy-eating phase soon. I was just in my first three-way, and that was amazing. Now I would like to have a three-way with another girl and an older man, and I will be in heaven. In my fantasy, they lick my pussy and ass-hole at the same time, then the man fucks me in the ass while the girl keeps eating my pussy."

feet and got hard! I felt weird, like I should have been grossed out, but I wasn't. I liked it. It turned me on. And so I went with it."

After putting on the next pair he chose—red peep-toe pumps—she sat on the floor in front of him, on the stool salespeople used to help customers try on shoes. She put her ankle up on his knee. He froze, but reached out to finger the heel on the shoe.

"You know," she said slowly. "These are sorta sexy shoes to be buying your sister. Are you sure that's why you're here?"

She slid the outside of her smooth foot, shoe and all, down the inside of his thigh, the heel poked—just barely—at the crotch of his pants. He couldn't help himself. He sighed, audibly, with pleasure.

She kicked the shoe off, letting the high arch of her foot press against the hard-on through his slacks. He bit his lower lip.

"Let it out," I said. It seemed like someone else's voice, but it wasn't.

"What?"

"Let it out. Let your cock out."

He hesitated for a moment, then gave in, releasing a monster of a dick—so heavy in its hardness it drooped toward the floor. He leaned back to allow it to rest on his belly in a more natural erect position.

She whistled.

"That is a super-big cock. Can I touch it like this?" She pressed her cool foot against its burning-hot surface, the skin purple, tautly stretched. Its head was oozing pre-cum; she swirled it about the tip with her big toe. He shuddered.

"You know. I have nice lotion in my purse. Peppermint. Expensive. Would you like to rub some on my foot? They're kind of tired from trying on all these shoes."

He nodded. She reached into her bag, which lay nearby, and brought out the small bottle, letting a bit of it drip onto the top of her foot. He began to rub it all over her—it felt wonderful, like a reflexology massage—and what's more, he seemed to be getting off more than she was.

Good and lubed, she returned her attention to his massive erection, stroking and pressing. She kicked off

the other shoe and enveloped his cock with her feet. It was about as long as they were, she noted, deciding then that if he was game, she was in for an escalation in their activity.

She stroked and kneaded his cock with her feet, bringing her knees apart, allowing him to see the flowered crotch of her sensible cotton panties, now damp with desire.

"How about you lie down on the floor?" she said huskily.

He did as he was told. His cock stretched to bursting. She couldn't wait to impale herself on it, opting for a reverse-cowgirl position that would allow him not only a stellar view of his violet member sliding in and out of her silky orange box, but her to cross her dainty feet together on his chest where he could smell them, stroke them, even perhaps lick her toes if he was game.

He did all three.

"Fucking while having your toes sucked was a new one on me," she said. "Odd, but sexy. I think the true turn-on was how turned on HE was. It was empowering knowing he was getting off so good. And seriously: he definitely had the biggest dick of any I've had the pleasure of riding."

With his tongue on her toes and his dick in her gooey box, they were a well-oiled machine, bending and stretching and fucking right there in the middle of the store.

"The harder he sucked my toes, the harder his cock got and the harder I rode him. His hands were gripping my butt, pushing and pulling me down on him. He'd been sort of submissive to that point, which was sexy-playing top-but now he was getting a little forceful. I liked seeing both sides of him. I could feel that he was going to cum, so I eased off, taking his dick all the way into my mouth-enjoying the peppermint smell!-and swallowing his whole load at once."

He took a little time to recover, but they dressed quickly, fearful that another customer might discover them amid a naughty nooner.

"He bought three outstanding, expensive pairs of shoes before he left," said Lena. "I found them outside the door at closing with a note, thanking me for a great afternoon-and asking me out on a proper date. Now I have to get a hot dress and stockings to go with the Manolos!"

Ariana wants to fuck, but first she needs to loosen up her pussy.

As it is, she can barely fit one finger in there. She has her fuck-buddy warm her up by fingering her slit. He starts off with one, then two fingers. It hurts her a little, but she likes the pain. Ariana is going to need all the stretching she can get to take his big cock. It ain't easy being tight!

BRAT CHAT

HEIGHT: 5'5" **WEIGHT:** 100 lbs.
BRA SIZE: 34B **BORN:** March 15
LIVES: Tarpon Springs, Florida

Taking it nice and slow pays off with a tight girl.

When a girl has a snug and inexperienced pussy, you can't just ram your cock in there with no warm-up. You have to take the time to turn her on and get her prepped for what's about to come. After plenty of foreplay, our stud slips it in and Ariana lets out a gasp. His cock goes in inch by inch, letting her tight canal adjust to his girth. Soon she's able to take most of his rod as her girl-cream coats his shaft. He starts off slow and is able to build up to a steady rhythm. After her first cum, Ariana is ready to be drilled. Watch this scene in the movie *Jizzed Teens 2* (available for order on page nine) to see her squirm and squeal as she gets filled like never before!

Since you're so tight, do you have a preference for dick size?

"I like all kinds of cocks. They don't have to be huge. The good thing about having a tight pussy is that I can cum whether it's a big cock or more of an average-sized one. If it's a big one, it fills me up and gets so deep and really hits my sweet spot. But with an average one my pussy doesn't have to stretch so much and it still feels good. With big ones I need a break afterwards because I'll get sore. With an average cock we can fuck all night. I just like cocks in general. Give them all to me!"
